

F.12 (53) DCA/2025  
GOVERNMENT OF TRIPURA  
OFFICE OF THE DEPUTY DRUGS CONTROLLER  
PT. NEHRU OFFICE COMPLEX, GURKHABASTI  
AGARTALA, TRIPURA (W)

**PUBLIC ADVISORY**

Dated: - 18<sup>th</sup> September, 2025

Drugs Control Administration, Tripura regularly collects sample of drugs from Government Institutions, as well as from the trade. Sampling of drugs is crucial for ensuring patient safety and effective drug quality control. It allows for assessing the quality of drugs, identifying potential problems, and providing reassurance to patients and regulatory bodies. Sampling also helps in developing strategies for maintaining consistent quality and availability of quality medicines. The following medicine is declared as **Not of Standard Quality (NSQ)** by the Government Analyst, State Drugs Testing Laboratory, Government of Tripura.

| Sl No | Medicine Name                                                                                           | Details                                                                       | Manufactured by -                                                                                                           | Reported by-<br>Test Report No./Date                                                                        |

The general public is advised to verify the above mentioned drugs including the Batch No. before purchasing the medicine from any medical stores or pharmacies. The Drugs Control Administration will continue to collect samples for testing to strengthen vigilance against counterfeit drugs, thereby ensuring public health and safety. Any information regarding these Not of Standard Quality (NSQ) drugs may be reported to the local Inspecting Officer (Drugs).
